

Where and How to Attend the Spring Seminar Session Online

We are now using an easy but effective web conferencing software.

Before the meeting, please go to this web site to configure your audio and video on your computer.

https://texasrangeclassroom.adobeconnect.com/common/help/en/support/meeting_test.htm

When you get to the site, it will automatically test your computer. It takes about 45 seconds for the test to be completed. Once the test is completed you will see check marks indicating that your computer has passed, as shown in picture below.

If you look closely you will see that number 4 states not installed. To the right please notice, Install Add-in. Click on Install Add-in and after few seconds of installing the Add-in, your computer is ready.

To Attend the Online meeting click on the Link below; Enter as a guest, just type in your name and Click on Enter Room.
